

Hartsfield-Jackson Atlanta International Airport opened its new centralized rental car center in December 09 making for a smoother experience for passengers who rent cars at the Atlanta airport.

Check out the new Thrifty facilities.

Thrifty Express members can now view their rental information on the Express monitor located in the new ready/return facilities.

Thrifty Car Rental's counter at Atlanta's new centralized facility.

A photograph of a large monitor displaying the Thrifty Express member information screen. The screen shows a list of member information under the heading 'Thrifty welcomes Blue Chip Members'. The list is divided into two columns, each with columns for Time, Member Name, and Staff #. Below the list, there is a Thrifty logo and two images of cars, a red sedan and a silver SUV.
