Terms and Conditions

By submitting the information requested on the Blue Chip Enrollment Form, I understand and agree that:

- 1. The purpose of this Blue Chip Enrollment Form is to provide Thrifty with information regarding future rentals at participating Thrifty Car Rental locations. All the information provided by me is true and accurate. You will notify me of your acceptance of my application to enroll in the Blue Chip program. You reserve the right to accept or reject this Enrollment Form application at your discretion.
2. After notice that I have been enrolled in the Blue Chip program, or after notice of any changes to the Blue Chip program, my use of the Blue Chip program will constitute my acceptance of the terms and conditions of the Blue Chip program terms.
3. Reservations must be made more than twenty-four (24) hours in advance by calling 1-800-THRIFTY®, a travel agent, through the Internet or call the Blue Chip Membership line at 1-888-400-8877.
4. The information and selection of the optional products and services in this Enrollment Form will apply to all Blue Chip rentals I make until and unless you receive a revised Enrollment Form from me. If on a particular rental I wish to make a different selection, I will be required to use your standard rental service. If additional persons will be operating the vehicle on a particular rental, you will require me to sign, at the time of rental, the Blue Chip Authorization Form for an additional Authorized Renter. If I fail to select any of the optional products or services in items 27-30 on the Enrollment Form by checking the "yes" box, they will be automatically rejected for me.
5. At the time of rental, I will be required to (i) present my driver's license and credit card (no debit cards accepted at time of rental); (ii) initial the selection of the optional products and services, if any; and, (iii) sign the rental agreement. If there is any conflict between the information and selections on the Enrollment Form or revised Enrollment Form and the rental agreement signed at the time of rental, the terms of the rental agreement will control.
6. A violation of the terms of the rental agreement may void the benefit and protection of the optional products. The optional products sold in the U.S. may include the Physical Damage Waiver, Personal Accident Insurance, Personal Effects Protection, and liability protection. In Canada, Physical Damage Waiver and Protection Plus may be available as optional products. The availability, charges and coverage may vary from location to location. Benefits, exclusions, limitations and exceptions are in accordance to the schedule/brochures available at the rental location. Except for the one-time charge for the prepaid fuel option, there is a per-day charge for all optional products.

Optional Products & Services

Physical Damage Waiver ("PDW")
PDW will waive the Authorized Renter's responsibility for the loss of or damage to the vehicle including theft as long as the terms of the rental agreement have not been violated. If the terms of the rental agreement are violated, the Authorized Renter is 100 percent responsible for any and all loss of or damage to the vehicle resulting from any cause whatsoever, regardless of fault, plus loss of use based on reasonable down time, a reasonable administrative fee determined by the rental company, plus towing and storage charges, and any other out-of-pocket expenses. Loss includes the cost of the vehicle if it is stolen or lost, net of any depreciation before the loss or damage, less salvage. The cost of the vehicle, net of any depreciation, could exceed the vehicle's fair market value by varying amounts; ranging from as little as a few dollars, to as much as several thousand dollars, including turn back expense, if appropriate. Many insurance policies do not cover these losses. Any amounts the insurance policy does not pay, you will be required to pay. PDW is not insurance and is subject to state law. My own insurance may afford coverage for the damage to the rental car.

Personal Accident Insurance & Personal Effects Protection (PAI/PEP)
Personal Accident Insurance provides benefits to me and my passengers for accidental medical expenses, ambulance expenses and accidental death benefits during the rental. Personal Effects Protection provides benefits against loss or damage to the personal effects owned by and for the personal use of me and my immediate family accompanying me.

Optional Liability Protection
Many of the locations do not provide you any insurance with the rental. If available, optional liability protection will extend any third-party auto liability insurance up to \$1,000,000 combined single limits ("CSL") that,

Terms and Conditions Continued

when purchased, will protect the Authorized Renter from at-fault third-party bodily injury and property damage claims resulting out of the operation of the rental vehicle. The availability and coverage can vary from location to location depending on the program details. Check with the rental location for details of their program. This coverage is sometimes referred to as Supplemental Liability Insurance ("SLI"). Optional liability coverage is subject to specific exclusions, which are summarized on the separate brochures available at the rental locations.

Notice: If you rent in Texas, you may not need the automobile insurance offered by the rental car company. If you have a Texas Automobile policy, it provides coverage for your liability while operating a rental vehicle. Automobile policies issued in other states or countries may also duplicate this coverage. The purchase of automobile liability insurance is not required as a condition of renting an automobile. This insurance does not apply to any bodily injury or property damage arising out of the use or permitting the use of a rental vehicle by any driver while under the influence of drugs or alcohol in violation of the law.

Prepaid Gas
If available, and if I choose the Prepaid Gas option, I will be charged at the beginning of the rental for the amount on the rental agreement for that purchase. If I choose this option, I will not incur additional refueling service charges at the end of the rental, but there are no refunds or credits granted for unused fuel left in the vehicle when it is returned.

Protection Plus
In Canada, Protection Plus provides limited benefits to the Authorized Renter and Passengers of the vehicle during the rental for accidental medical expenses, ambulance expenses and accidental death, repatriation, rehabilitation, legal defense, emergency road service and mechanical breakdown towing benefits, and up to \$1,500.00 for personal belongings if certain terms and conditions are met.

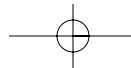

7. For the purpose of expediting the rental transaction and verification of credit, I consent to the reservation or authorization of credit with the credit card issuer for an amount equal to the estimated charges of the rental prior to my arrival at the rental location against one of the credit cards listed on this Enrollment Form which has available credit. If there is no available credit on the credit cards listed, I will provide you with another valid credit card prior to the rental. If I do not pick up the rental car on the day of the reservation, the authorization of credit will expire per my credit card issuer's policy. Debit cards are accepted for payment only upon return of the vehicle.

8. I will notify you at once if any of the credit cards listed in my current Enrollment Form are lost, stolen or invalidated or used without my permission. Because of the nature of the Blue Chip program, I understand the urgency of this obligation.

9. At any time, I may notify you in writing of my desire to cancel my membership in the Blue Chip program, and Thrifty reserves the right to cancel or suspend my membership at any time, without notice, in the event any sums payable by me pursuant to the terms of the rental agreement are not paid when due. Furthermore, I acknowledge and understand you reserve the right to cancel my membership in the Blue Chip program if you, in your sole determination, conclude that I no longer qualify to participate in the Blue Chip program.

10. Unless I notify you otherwise, I understand this membership may be cancelled after 18 months of inactivity, upon your written notice.
